Limited Menu and Hours

Dear Valued Customers,

These continue to be difficult times with the COVID-19 crisis affecting everyone, directly or indirectly. During this unprecedented time, we have made the decision to open up our doors back up for business with extended hours and a limited menu, offering curbside pickup only—unfortunately, no customers are allowed in the restaurant at this time. Orders must also be pre-paid to further minimize person-to-person contact.

We have been a restaurant pillar in this community for over 25 years. Our number one priority continues to be the health and well-being of our employees, guests and the local community we serve. We remain extremely diligent in our efforts to keep everyone safe, including social-distancing, frequent/proper hand washing, sanitizing surfaces frequently, and paying extraordinarily high attention to all food-safety standards. You have our commitment that we are doing everything we can with the safety of our guests and staff, top of mind.

Thank you from the bottom of our hearts for being our loyal customers. It is a genuine privilege to serve you and this community. We look forward to welcoming you back to our restaurant as soon as the crisis has passed.

Stay safe and be well.

Sincerely,
Jacqlynn + Lonnie Hauser
